COVER - Jodi Mort relaxes on the day after the Wareham Junior Miss Pageant as she tries on her crown for the benefit of our camera.

Wareham's Junior Miss

Jodi Mort, daughter of Mr. and Mrs. John Mort of 10 Tobey Lane, Mattapoisett, is an Old Rochester Senior. Jodi was named Wareham Junior Miss on the Bristol Auditorium stage at Old Rochester Regional High School Saturday evening after competing with 12 girls from this area. With her title, goes the honor of competing in the Massachusetts Junior Miss Pageant and, if successful there, she will go to Mobile, Alabama for the finals.

Runners-up were Gail Haskell of Old Rochester, Jamelyn Suddard of Wareham High School, Carol Pierce of Old Rochester and Kyle Tucy of Bourne High School.

The new Junior Miss performed with baton twirling routine using 2 batons. Swea Nightingale, the retiring Miss Wareham Junior Miss and Miss Massachusetts Junior Miss, crowned her successor.

The sponsoring Regional Scholarhip Club, an organization of businessmen, plans to use the proceeds from the pageant to provide scholarships for worthy students.

FUEL CONSERVATION

Town Hall heat has been set back to 68 degrees during business hours and 55 degrees during nights and weekends. The whole of the second floor has been insulated which should contribute to the fuel savings.

The Alcoholic Beverage Control Commission has requested that each establishment, licensed by them, cease to use all outside lighting of an advertising nature and discontinue the use of billboard lighting. Copies of the request have been mailed to all town alcoholic beverage sellers.

VANDALS CONTINUE DESTRUCTION

Vandals continue to destroy park property as the rail fence at Shipyard Park has been torn down, windows at the fishermen's locker have been smashed and benches stored in the Veterans' Park gazebo have been taken out and damaged.

The Police must have the cooperation of all of the town citizens in the effort to bring this expensive problem under control. Anyone noticing vandals in action is urged to call the control center immediately. The cruiser can't patrol every part of town at once, but if the individual eyes and ears of the town's people will aid in the effort, these criminal acts of wanton destruction can be eliminated. The cost of vandalism continues to rise and all comes out of the property tax.

GOVERNOR ASKED FOR VETO AGAIN

The Board of Selectmen has sent a telegram to Governor Francis W. Sargent to ask for a veto of House Bill 7751 to require binding arbitration by cities and towns. The Governor vetoed the same proposal put before him as H-1086 whereupon the Massachusetts Legislature, under pressure from the police and fire lobby, immediately reintroduced the same legis-

The Board of Selectmen has asked George Avila to sign a receipt for 2 bells, property of the town and presently under loan to the Mattapoisett Historical Society for exhibit at the museum. One bell is from the St. Anthony's Church tower, a former Town Hall tower bell, and the other is a Fire Department bell.

EXPRESS CONDOLENCES

The Board of Selectmen wrote on November 20 to Mrs. Harold Vokes to express condolences on behalf of all town residents over the demise of Mr. Vokes. They said, "His passing is a great loss to the town that he has served so well for so many years".

stated that he had paid for the two large containers contracted from a private firm. He said that he has done more than his share in keeping the wharf clean and that people have been transporting garbage bags to the wharf and using his containers. Mr. Sylvia suggests that anti-littering signs be installed.

NO WATER PUMPING

CHRISTMAS BAZAAR HELD BY SENIOR CITIZENS

The old-fashioned Christmas Bazaar held November 17th in the American Legion Hall in Mattapoisett was a grand and festive event. It was sponsored by and for the Senior Citizens' Club of Mattapoisett.

We thank everyone who worked very hard preparing for the event, during the event and cleaning up after.

We thank everyone who volunteered their time, merchandise and baked goods. We especially thank "Billie" the Ballon Man who delighted young and old with his accomplishments, fashioning all sorts of animals with balloons and making them "talk".

Steeple Caps St. Anthony's

A continuing saga which covered several days was finally crowned with success as the steeple of St. Anthony's Church is handsomely installed. The aluminum tower arrived via trailer truck and had to await the installation of steel beams before the crane could hoist it into place. This was finally accomplished on Thanksgiving morning by workmen who spent the holiday morning bolting the steeple to the beams. There are plans to install chimes in the new bell tower.

The pews, which also arrived last week from the factory in Arkansas, are being assembled by the men who brought them.

Granges Invited

DEGREES TO BE EXEMPLIFIED AT GRANGE

First and second degrees will be exemplified at Acushnet Grange this Friday, November 30th. Worthy Master of Rochester Grange Paul Ouellette invites any Granges in the area having candidates to attend.

A "Thanksgiving Around the World" program was put on by the overseer of Mattapoisett Grange Ollie Gifford at the Rochester Grange last week. Eighteen Sippican Pomona Grange members took part in the program singing songs from different countries. Solos were by: Beulah Low, French songs; Frank Jefferson, Chinese; Paul Ouellette, German; Manuel Roderick, Mexican; Robert Ouellette, Italian; Diane Spirlet, Swiss; Herbert La Fleur, Russian; and Ollie Gifford, Indonesian. The program closed with a duet of an American song by Joseph Ouellette and son Robert, and then everyone joined in singing "God Bless America".

A THANK YOU

My sincere thanks to the Mattapoisett Police Department with particular appreciation to Charles Avilla and Edward Cacilhas. In a matter of 3 minutes they came to my aid when I fell ill on November 16th. The Mattapoisett Police are always there when you need them, and I am very grateful.

Letters to the Editor

Your editorial, "The Short Memory", cannot be allowed to go unanswered. The defense you offer against impeachment can be summarized succinctly; "He is the President". So what? He is also subject to the laws of the land. The constitution which he has sworn to uphold includes impeachment as a means to remove high government officials. It is a straight forward, orderly process built into our system. It is only feared by those who have no faith in the strength of that system.

To suggest that grounds for impeachment do not exist is simply ignoring fact. Guilty or not, Mr. Nixon has acted like a man attempting to destroy evidence and obstruct justice. This type of behavior is not tolerated in men like you or me, why should the President be given special privilege? It is

not a liberal movement to destroy a conservative president. Senators Goldwater, Dominick and Buckley have withdrawn their staunch support of Mr. Nixon and they are hardly in the forefront of liberalism.

Should he be retained in office because of his statesmanship? He risked his detente with Russia in distraught over-reaction to events in the mid-east. His Nobel Prize peace effort in Southeast Asia is daily threatened with disintegration.

Should he be retained in office because of his choice of subordinates? Fortunately the laws of probability were at work and Mr. Nixon was able to include in his staff men of the calibre of Richardson, Ruckelshaus and Kissinger. But who now remains? only one. The others: Ehlrichman, Halderman, Agnew, Mitchell, Stans, Dean are all gone and could well end up in prison - an ignominious end to what was once a King's court.

No, Mr. Jason, it is you who have the short memory. You chose to ignore the evil that the man has done and hope that the good will live after. You have forgotten that it is illegal to mix personal and public funds for personal gain; that the Mr. Nixon you so righteously defend is the same Mr. Nixon who used Watergate tactics in California in the early sixties - fortunately to no avail; that Mr. Nixon was elected as a "law and order" president and his first Attorney General is now considered a common criminal; that Mr. Nixon was elected on a pledge of fiscal responsibility and instead brought us wheat, meat and fuel shortages all of which benefited a few and severely hurt the majority. But most of all, you have forgotten that deep within all Americans is a sense of fairplay and honesty - however well concealed it sometimes appears - and that this sense has been severely violated by Mr. Nixon's actions. Preoccupation with political purity (your phrase) is not one of the great assets of the American people, but enough is enough. Let the impeachment process continue, and if guilty, let the Senate remove him from office. The Republic

LETTER TO THE EDITOR

Tuesday evening, November 13, 1973, at 7:30, I and over 35 other citizens attended the Selectmen's meeting in Mattapoisett. Because the Selectmen's office was not large enough to accommodate this group, it was decided to hold the meeting in the upstairs conference room.

I was speaking only for myself as a concerned citizen and businessman about the bad publicity that the town has been receiving in the Standard-Times.

It has been constantly brought out that our Police Department should be investigated, so I asked that the people present be shown the files of complaints that were on file. This was brought out, going back to 1971. There were two complaints: one about a dog, and one about another animal. The file of commendations was brought out and this contained thirteen. This, I think, should have been printed in the Standard-

Times, but it was not. Not one word was printed, and the reporter was there. He sat next to me taking notes.

The City Editor, the publisher and the reporter, Mr. Branco, have been contacted about this, but still no word in the paper.

Later on I sat in on the Selectmen's meeting and made a report regarding housing for the aged, as I am chairman of this group. The Selectmen also voted to place a seat at the corner of Main Street and Route 6 for elderly people waiting for the bus. This was good publicity for the town of Mattapoisett, but the reporter chose to ignore this, apparently because it was good publicity.

I am not looking for publicity for myself. I do not intend to run for public office, for a 10-16 hour day running my own business is all I can handle. But I do urge all concerned citizens to deluge the publisher, the city editor, and Mr. Branco with phone calls, asking for fair publicity concerning the town of Mattapoisett. Thank you,

John Figueiredo Mattapoisett

Church St. Parking Decision

Frank Sylvia, speaking for the Mattapoisett Businessmen's Association; Al Morgado, Richard Norris and Richard Souza met with members of the Mattapoisett Traffic Commission on Friday night at the Town Hall in an effort to resolve a problem that appeared with the installation of No Parking signs on the south side of Church Street between Cannon and Barstow Streets in accordance with a 1968 vote of the town meeting. At the onset, Russell Sherman, chairman, declared a firm intention to institute parking on one side of the street throughout the village. He said that the committee had been charged with the duty of carrying out this policy. Mr. Sylvia, using a street plan that he had prepared with recorded dimensions, stated the case for the two businesses most affected by the parking ban. He asked that the stretch of street in front of Center School be posted as a limited parking zone and that a 1/2 block stretch on the opposite side of the street also be included for parking for these businesses. He stated that many spur of the moment cus-

tomers would be lost if no parking were available for cars proceeding east on Church Street.

Both Police Chief Alfred Faria and Fire Chief Paul Bradley said that there never had been a problem to date in getting emergency vehicles through the village but Mr. Bradley said that he did not want to see a potential for a problem in the future. Police Chief Faria said that he could see the hardship that these 2 businessmen were under and expressed his willingness to try to work out some solution for their problem. Mr. Sylvia asked the committee to give him one concrete reason why the 1/2 block area of parking could not be allowed. The only reason offered was by Chief Bradley who said that fire hose laying to the hydrant to Center School would be hampered. Mr. Sylvia countered with a willingness to move the parking area further down the street.

The committee went into executive session and decided to delay the uncovering of the No Parking signs until such time as 1/2 hour parking could be posted in front of Center School. Chief Bradley had already asked the teachers not to use this area for all day parking with excellent cooperation from the teachers. The opposite side of the street area, proposed by the businessmen, will not be allowed.

Immunization Clinic

An immunization clinic will be held on Wednesday, December 5th, in the Mattapoisett Elementary Schools.

This clinic will be sponsored by the Mattapoisett Board of Health at no charge. Parents are urged to take the opportunity to complete immunizations of their children. State law requires that all school age children be immunized against diphtheria-tetanus, measles and polio. Although not yet required by law, immunizations for mumps and German measles should be given in order to protect the child. School age children will take home permission slips to be signed and returned to school no later than November 30. They will attend the clinic during school time.

Pre-school children will be included in this clinic and will be taken between 1:15 and 1:30 P.M. at Center School. Parents are requested to inform the District Nurse at the Town Hall or the School Nurse at Center School of their intention to attend.

League of Women Voters

"SOUP AND SANDWICHES WITH STUDDS"

Continuing its annual series of evenings with state and national legislators, the League of Women Voters of the Marion Area will present an evening "Soup and Sandwiches with Gerry Studds" at 6:30 P.M. on Sunday, December 9, at the Congregational Community Center in Marion. Ample parking will be available at the rear of the Browne's Pharmacy parking lot on Front Street. People planning to attend who would like to contribute either sandwiches or dessert are asked to call Mrs. John Howard, chairman, at 748-0709. All others attending will be asked to contribute a small fee to help defray costs.

It is hoped that many area citizens will be on hand to meet our Congressman, to ask him any questions they may have, or to express their opinions on current national issues.

Meals on Wheels

The Council on Aging is planning to set up a program to provide meals to those people confined to their homes, and/or those who find it a hardship to prepare the main meal for themselves.

This will be provided on a daily basis and available during the days that schools are in session. Menus are printed in the Sunday Standard-Times and the Presto Press weekly. It is suggested that anyone interested should cut this item from the paper to be used for reference as to what is being served on a given day.

Containers will be provided so that the food will remain hot upon the transfer from school to the home and a fee of 50¢ per meal will be charged.

Anyone desiring this service, who is eligible and did not designate so in the recent questionnaire sent out, please do so by calling the Council on Aging Ser-

Vincent J. Peternel, mayoral assistant City of New Bedford, will show the sound filmstrip, "We're Building a new City" at the Wednesday Weekly Luncheon December 5 at 12:15 P.M. What the city has to offer to industry, recreation and housing will be shown and also what is anticipated in the program development. Drawings of plans for North and South Terminal will depict the plans for these areas. There will be time for questions regarding the future expansion and progress now underway.

Mr. Peternel is director of the Emergency Employment Act Program and chairman of Tourism and Development in the city.

The public is invited to both the speaking program and informal luncheon at 11:45 A.M.

Maggie Peirce, well-known singer of Irish folk songs, will entertain at the members' annual Christmas party Sunday, December 2, following the ceremony of Hanging of the Greens. Doors will open at 2:00 P.M. for members to decorate the rooms in Seasonal Decor before the program opens in the gymnasium.

Children's party will feature songs, dances and pantomime by the Little Theatre Group under the direction of Miss Shelley Hall, and all will share in singing and having fun chatting with Santa when he arrives with his elves.

World Fellowship envelopes that were mailed this week to all members will be collected during the program. In making your contributions to the YWCA programs and its worldwide services you help advance the cause of peace and justice, freedom and dignity of all people.

Junior Ski Club members are desirous of obtaining snow shoes to wear on their future walks in the woods. Perhaps there's an unused pair or two in someone's attic or barn. Anyone interested in loaning or giving old snow shoes is asked to contact the YWCA and ask for Mrs. Grace Young, program director.

exercises pertain mainly to increasing the flexibility of a person and consist of exercises for the legs and upper body. This course is designed for men and women who are past the competitive stage and wish to get in shape for skiing. For more information contact the Y at 997-0734.

YOGA

The New Bedford YMCA will be starting a program in the art of Yoga beginning December 7th. The program will run Friday mornings from 10:30 to 12:00 Noon for ten weeks. It is a coed program open to Y members and also non-members who are 17 years of age and over. There will be a small fee for members and non-members. This would be a good opportunity to get into shape and to lose a few inches from your waist. Also, a great chance to relax while you are working out. For more information contact the Y at 997-0734.

D.A.R. Meeting

Two new members were installed in the Fort Phoenix Chapter DAR at their November meeting at the First Baptist Church, New Bedford: Mrs. Beatrice Eldon of Marion, a transfer from the Independence Hall Chapter, Pennsylvania; and Mrs. Grace Frasier of Fairhaven. Mrs. Frances Fraser of Marion, past Regent of Lucy Jackson Chapter, was a guest.

Mrs. C. Joseph Nowak, Regent, reminded members that payment of dues was urgent as they must be sent to Washington before January 2nd. She also asked members to save all their stamps for the DAR project, "Stamps for the Wounded", where they are given the Veterans' Hospitals.

The treasurer's report was read by Mrs. Olive Winslow, and Mrs. Dorothy Lang read a reminder of ways we all can help the energy crisis as her Conservation report.

A Thanksgiving program followed relating little known facts about the Pilgrims. Taking part were Mrs. Martha E. Groves, Mrs. Fannie H. Bowler, Mrs. Florence Dobson, Mrs. Dorothy Lang, Mrs. Helen Shaw, Miss Emma Mayhes and Mrs. Pauline Maxfield.

A social hour with cake and tea followed.

The Christmas Party will be held December 10th at 1 P.M. Sandwiches and dessert will be served and there will be an exchange of gifts. There will be a Christmas Sale. The program will be chaired by Mrs. Pauline Max-

Gifts for State School

The Christmas gift packages donated by the Sippican Woman's Club as a Community Improvement Project were delivered to the Paul A. Dever State School in Taunton by Mrs. C. Joseph Nowak and Mrs. Darrough Gurney.

Mr. W. Randall Burnip, Director of the Office of Citizen Participation, cordially greeted the ladies and enthusiastically received the box of gaily packaged gifts. Later they were escorted to the Gift Shop, where they purchased unusual items made by the residents, who get a share of the profits for articles they make.

Mr. Burnip explained that there are now 1475 residents - 60% of whom are 21 to 85 years of age. Children make up 40% from 6 years old up. Many are entirely forgotten by their families. However, interested citizens and organizations may sponsor a resident or residents. The sponsor receives information as to birthday, age, clothing size, special interests, religion and sug-

gestions about what the resident would like to receive. Some even donate money which patients use for special treats at the canteen. Interested persons should make checks payable to Paul A. Dever State School - enclosing a note as to for whom it is intended. Gifts should be marked this way also.

Used clothing in sizes 18 and up are much needed for women. The smaller sizes are well taken care of. Also needed are record players, radios, and records, especially children's stories - 45's or 33's only.

Some suggestions as to gifts - make-up, all kinds and shades; hair nets, combs, brushes, bobby pins, rollers, tooth brushes and paste, shampoo, kleenex, shoe polish and brushes, shoe laces, dolls in any costumes, paper hats and table decorations for parties.

Also, clean plastic containers from detergents and bleaches. Empty bottles and cans are used by children to decorate with paints and decals. Also, large sized inner tubes and tires, scrapbooks, stuffed animals or hand puppets, no button eyes.

They urgently need large sized terry cloth

VOLUNTEERS OF AMERICA'S ANNUAL DRIVE

The coming of the Holiday Season to our city marks the beginning of the Volunteers of America's annual campaign to support its programs of activities for the needy in our city.

For seventy-seven years this national social welfare organization has provided food, clothing, furniture and other assistance for the poor and homeless during the Christmas season.

The annual drive has become as much a part of our Holiday Season as Christmas trees, holly wreaths or carols.

The campaign started November 23rd and will last through the Christmas season. Funds will provide a variety of winter relief to hundreds of men, women and children in our city.

We are all looking forward to a merry and joyous Christmas. You can help make this a truly happy holiday for needy families, old folks, and homeless men and women in our city by contributing to the Volunteers of America Christmas appeal.

Navy Program Available

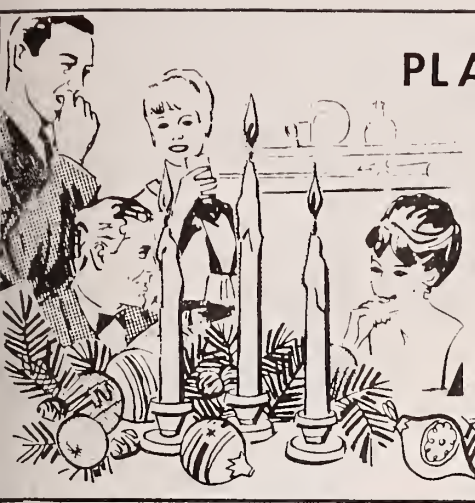
NAVY ANNOUNCES MORE RESERVE OPENINGS

Chief Bernard Glass, Navy Recruiter for New Bedford, Mass., has announced that the Navy is now offering more job openings in its Reserves, particularly through the Navy's 2X6 Reserve Program.

The 2X6 Program essentially offers young men and women the opportunity to enlist in the Naval Reserves and serve only two years of active duty with the Fleet. Four additional years will be spent in the Naval Reserves attending training meetings at a Reserve Center near their home town and summer two-week training periods with the Fleet.

However, Chief Glass added that if a young man or woman is qualified for one of the Navy's many top-rated training schools and desires to get that training, his or her active duty will begin to coincide with the school's needs.

As in other Naval Reserve programs, the time spent in training for a specialty is not included as part of the two years spent on active duty.



PLAN YOUR *Christmas Party*
